Mission

To foster a cooperative, constructive working environment in VS, and to develop means to implement the Department's civil rights goals and objectives. The mission will be carried out by:

- Developing national Equal Employment Opportunity/Civil Rights (EEO/CR) initiatives with organization-wide benefits.
- Evaluating and monitoring VS progress in implementing the VS Civil Rights Strategic Plan; and
- Interfacing with local and regional EEO/CR Advisory Committees.

Purpose

The purpose of the VS NCRLC is to provide leadership and guidance in developing a national approach to Civil Rights program implementation within VS.
